

Up to 1300 pcs.  
per hour

## We're going to make a "blanket" statement...

Whether you need to process as few as 500, or as many as **1300 blankets per hour**...  
JENSEN's Express Blanket System has you covered.

The **Jenfeed Express Blanket System** boasts record breaking production numbers — up to 1300 bath blankets and 1000 thermal blankets per hour — numbers previously unimaginable. The **Jenfeed Express Blanket System** is available with 1, 2 or 3 feeding stations, and 2 or 3 crossfolds, all dependent upon your production requirements. State-of-the-art ergonomics are standard by design.
