THE TOWEL

WEAPON OF MASS DESTRUCTION

PROTON DECLARES WAR ON HAI'S

Proton Hygienic Microfiber™ towel removes deadly pathogens at 99.9%, dead or alive, assuring hygienically clean surfaces that resist biofilm growth. But there's more. Proton™ is ideally compatible with sanitizers, ensuring the delivery of full potency disinfectant.

THESE ARE SANITIZING STANDARDS
OUTMODED COTTON SIMPLY CAN'T MATCH.

MADE IN AMERICA

Ultimately, Proton's sanitizer compatibility assures targeted kill rates.

Heavy duty, washable microfiber cleans better, faster and easier

Removes Pathogens and Biofilm at 99.9%
