

MIP US expands reach with 4 new experienced additions to their Sales Team.

With the incredible growth of our business and to continue to provide our acclaimed service, MIP US is excited to announce the arrival of 4 new members to its US Sales Team.

Warren Hale comes to MIP after an early career of selling healthcare related textiles before moving to the processing side of the business with G.A. Braun where he had responsibilities for the East Coast of the USA. He will cover the Mid-South; Tennessee, North and South Carolina, Georgia, Alabama, Florida and Virginia.

Eric Underwood comes to MIP after a career of selling and brand managing healthcare textiles before moving to pharma. Originally from New York, Eric relocated his family to the Mid-West looking for a new challenge. Eric will assume the territory responsibilities referred to as Upper Mid-West; North and South Dakota, Nebraska, Minnesota, Iowa, Wisconsin, Illinois, Indiana, Michigan and Kentucky.

Jonathan Kollmar joins MIP from the packaging industry and will assume responsibilities for the Northeast which includes Ohio, Pennsylvania, West Virginia, Maryland, New Jersey, New York and the remainder of the New England States.

Susan Estep comes to MIP from Scrubs and Beyond where she was responsible for building programs with hospitals, hospital employees, brick and mortar locations and buying groups. Prior to this, she held several positions at Angelica Textile Corp. Susan will take on the roll of Key Accounts Manager where she will be working with all MIP USA reps with larger accounts as well as taking on responsibilities for GPO's and large buying groups.

Please join us in welcoming them!
